Training & Capacity Building Services

IACL delivers structured, high-impact training and learning programs through in-person workshops, virtual classrooms, and a dedicated Learning Management System (LMS). Our offerings include: IACL delivers structured, high-impact training and learning programs through in-person workshops, virtual classrooms, and a dedicated Learning Management System (LMS). What we offer include:

1 GRI Certification Programme

As an accredited GRI Training Partner, we offer globally recognized certification programs on sustainability reporting using GRI Standards. Participants receive official GRI certificates and benefit from practical exercises, case studies, and technical guidance.

2 Tailored Sustainability & Climate Change Training

Custom training aligned with global frameworks (e.g., SDGs, Paris Agreement), covering ESG integration, carbon management, climate-smart practices, and circular economy principles. Delivered across all experience levels.

3 Fundraising Training

Targeted at NGOs and social enterprises, this training builds skills in donor mapping, proposal writing, impact funding, and resource mobilization enhancing grant success and financial sustainability.

4 Customized Corporate & NGO Certification

Bespoke programs for corporates and NGOs covering ISO standards, ESG reporting, governance, and compliance. Certifications are issued via our Credly partnership and accessible through our LMS.

Our Other Services

1. Climate Advisory

- Climate strategy development
- Carbon measurement, reporting & verification
- Carbon credit advisory
- Climate change research & training

2. Sustainability Advisory

- ESG strategy and reporting
- ESG audits and assurance
- Human rights impact assessments
- Impact reporting and compliance

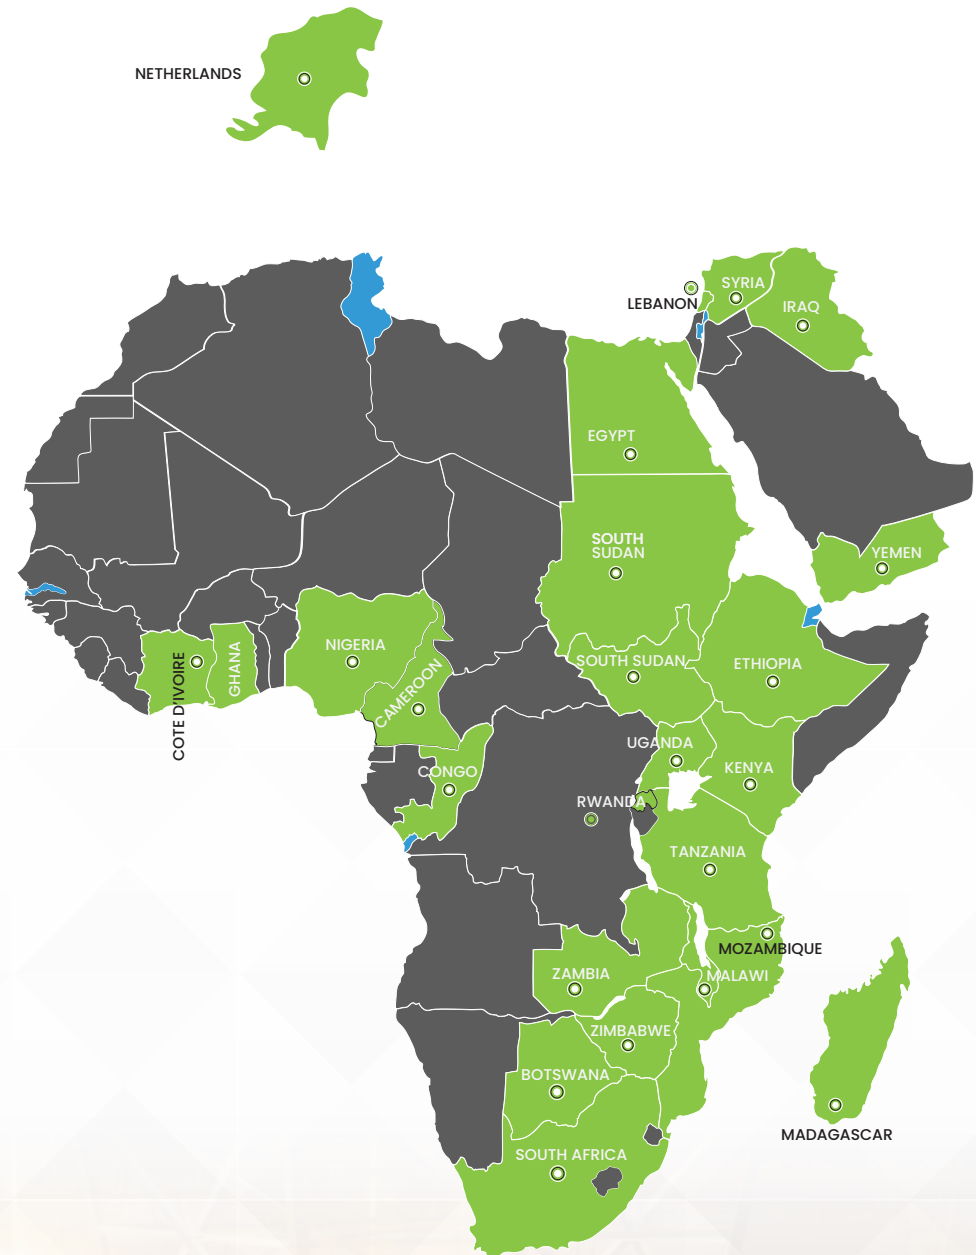

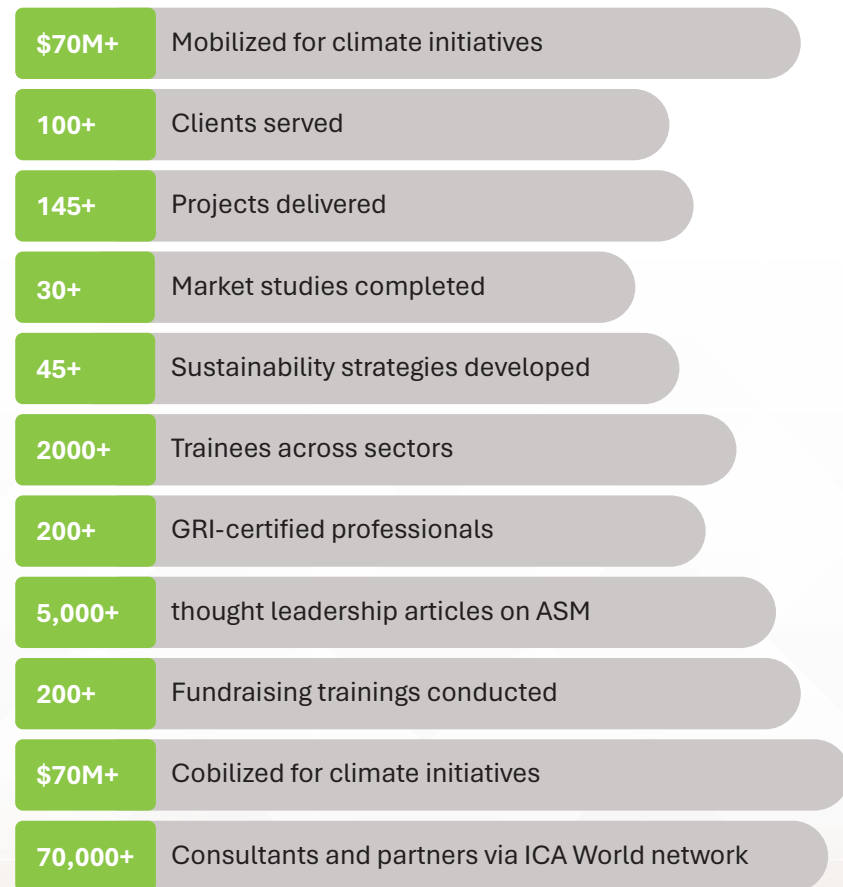

3. Enterprise Support

- Enterprise development and investor readiness
- Strategy formulation and implementation support

Our Reach and Impact

TRACK RECORD

OTHER INITIATIVES

Africa Sustainability Practitioners Fellowship:

This fellowship exemplified Impact Africa Consulting's dedication to sustainability in Africa, operating fee-free as part of our Corporate Social Investment, nurturing an annual cohort of practitioners fostering long-term sustainability.

IACL Sustainability Hub:

The Africa SMEs Sustainability Hub helps SMEs integrate sustainable practices, redefining success through environmental, social, and economic impact.

Africa Sustainability Matters:

We keep you updated on the latest sustainability news and insights across Africa through "Africa Sustainability Matters". With daily posts, our platform reaches over 1,000,000 monthly engagements.

IACL Academy:

Through this academy, we offer multiple courses for corporates and NGOs, from physical to virtual trainings as well as self-paced training sessions with accreditations through our partnership with Credly.
